NOTE:

- There is no “passing” or “failing” the placement tests. They simply give us an idea of your level. Due to enthusiastic numbers of people who want to take classes here, usually less than 50% of the people who take the placement test get offered places in classes.
- You must provide proof of your successful completion of 10th standard when you register.
- Tuition fees are not refundable.
- All American Center students are eligible to become library members and use our 9,000 book collection for free. For the general public, library memberships cost 2000 kyat per year. Registration for new library members is every Saturday from 9am - 4pm. Library hours are Monday – Saturday 9 - 4pm.
- Everyone is invited to come watch free movies in the big air-conditioned Multi-Purpose Room on a big screen. We show different movies each week Tuesday – Friday at 1pm and Saturdays at 9am. Usually we show the news from 12-1pm before the movies.
- The American Center (until 1999 known as U.S.I.S.) desires to help Burmese improve their skills in English. All are welcome.
- No placement test is needed to sign up for the TOFEL prep class.
